ADDENDUM#2 – 2020 PRICES FOR RFQ ROW

RFP Invitation to Service Providers

Annual Roadside Mowing and General Maintenance at various segments of City Streets and State Routes

Garden City, Georgia

The City Staff received one (1) question during the open comment period which ended on April 16th. I have attached the pricing and service scope from last year for review. The pricing was based only on a request for quotation as the contract did not exceed the threshold for an official RFP. **Additionally, the service area has been expanded in the new 2021 RFP, as Old Louisville Road has been added.** The first contract had a start date of June 1st and an end date of October 31st. General trash disposal was handled by the contractor, and the City handled the larger items such as tires etc. The service areas within the City and the final RFQ for the 2020 tabulation are as follows:

Service Areas for 2020

Augusta Road (State Route 21) -----	6.04 Miles
Dean Forest Road from Hwy 17 to Hwy 21 (State Route 30) -----	3.26 Miles
Brampton Road (State Route 21 Spur) -----	0.4 Miles
Burnsed Boulevard (State Route 25/SR 26 Connector) -----	0.34 Miles

The Mileage for the roads was calculated using the left and right shoulder lengths of the road using Google Maps. The total mileage is 32.60.
